Lol. Figures. On both counts. Send the web link if you have it. We'll check it out.

You'll have to ask Rick about "Stinky Tofu" when we get back. Yum yum (yuck). Gives me the willies just thinking about it. Oh the stories I could tell.

I have not heard anything about Pavillion - there was an Associated Press article posted on the FoxNews website on Friday, June 21.

Also, I talked with Brian Kleinman this morning. He had me re-route the STICS presentation to him for approval (Cindy is out). I will let you know as soon as they are approved by Brian.

Rebecca,

Just wondering if you have heard anything regarding Pavillion? Rick and I haven't heard a thing. Could you do a quick search and see what's happening? Hopefully you can find a press release or something on the joint statement.

FYI - Have also sent an email to Ayn and Greg to see if they have heard anything.
